Mantis PIXO, ERGO & IOTA

Promo code: MAN20

Boost your inspection process with a Mantis

Sharper, Clearer Imaging: Experience superior optical clarity with high-resolution, high-contrast viewing for even the most demanding applications.

Unmatched Ergonomics: Mantis patented eyepiece-less technology reduces eye strain and fatigue, allowing for longer, more comfortable working sessions.

Greater Versatility: A variety of stand options to fit any workspace and application.

Enhanced Productivity: Faster, more accurate inspections mean increased throughput and better quality control.

Manufacturing in the U.S.A. for over 40 years

Terms and Conditions:

- Offer ends on July 1, 2025. The promotion applies to new purchases only of complete Mantis systems. A system is defined by a head, stand/stage and lens.
- Geographic restrictions apply. This promotion is only valid in the United States, Canada, Mexico, and Latin America.
- Please mention the relevant offer and promotion code (MAN20) in all correspondences and when placing an order.
- Promotion cannot be used in conjunction with any other promotion or special pricing.
- Vision Engineering reserves the right to alter or amend these terms and conditions and any other conditions applicable to an offer or promotion at any time.
